ST. TIMOTHY CATHOLIC CHURCH

33rd Sunday in Ordinary Time - November 15, 2026

PARISH ELEVATOR UPDATE

- Mechanical & Electrical work to be completed this month
- Work on the design & construction of our new elevator is currently ongoing
- Installation on-site will begin in January & be completed shortly after

ADDITIONAL BOILER FOR THE PARISH

- Although a new boiler was installed in 2024, the system had experienced serious operational challenges, & the installation of another boiler in now required as a stable, long-term solution (estimated cost approx. $90,000)
- Our plan is to use the parish's 'Family of Faith' funds, which were raised in 2014 for hall renovations. Since we are now using these funds for a different purpose, we want to inform the parish about this - If anyone has any concerns or questions about using *Family of Faith* funds for our new boiler, please email Fr. Brenton at the parish office.

On behalf of the entire pastoral team, I would like to offer a personal note of gratitude to all our parishioners who have supported our parish home so willingly and generously. A lot of work has been going on behind the scenes for to update our parishbuilding over the past few months.Thank you again, and we'll keep you posted. *- Fr. Brenton (Pastor)*
